Dearest Cory,

I miss you so much! Not an hour goes by but that I think of you and all the fun things we did together.

I apologise for the times I was selfish — I really am sorry.

I so much wish we were together back at the house with Chip.

I hope you'll forgive me.

I love you!

I hope your mom is getting better every day. Tell her I love her too.

I'm putting this letter in with my pictures because I thought I was writing to you they ~~are~~ take it away.

I love you and miss you.

Love,

Carolyn

Dearest Jackie,

I'm having trouble writing -  
I think it's from all the drugs  
they are giving me.

Oct 4

I did receive the pajamas but they  
were too small - I've given them  
to a more person.

Jackie, will you call Cory at  
541-659-1776 and find out  
his address and tell him how  
much I love him. Then with  
this number call him and tell  
him how ~~much~~ much I do  
love him. Will you call  
him to get his address. But  
don't put any thing to  
mean it's Cory - then they'll  
take it away and open up.

Sorry this letter ~~is~~ is so  
scrambled, but it's because  
of drugs they give me.

I love you!

Carolyn
