Dear Honorable Congresswomen Maxine Waters

My name is Lanny Talbot, I have recently been appointed by the Government of The United States of America to the office of ambassador for the Government of The United States of America. This particular office was once held by Dr. Benjamin Franklin of which I am a direct descendant, and I have succeeded his office of ambassador in honor of our family name.

Further, this office has been given the task of contacting U.S. personnel when there is an international incident by and between a judicial officer of a particular state and a documented American National.

My Government decided to re-direct its procedures when dealing with international incidents because most state judicial branches are so overwhelmed with their case loads, the last thing they need is more of a caseload. Therefore, diplomatic process seems the prudent process to resolve international incidents quickly.

There is one affidavit attached to this letter of great importance due to the fact that the Human Rights Defender that wrote this report has firsthand knowledge of the events. Further, the report is alleging torture by judicial officers within the district your office represents.

The diplomatic process and task that this office is responsible for is to resolve these issues in the form of separating the parties to cease and desist the hostilities. However, this office is open to suggestions from your office on how the issues can be resolved.
