Dear Honorable Congressmen Kurt Schrader

My name is Lanny Talbot, I have recently been appointed by the Government of The United States of America to the office of ambassador for the Government of The United States of America. This particular office was once held by Dr. Benjamin Franklin of which I am a direct descendant, and I have succeeded his office of ambassador in honor of our family name.

Further, this office has been given the task of contacting U.S. personnel when there is an international incident by and between a judicial officer of a particular state and a documented American National.

My Government decided to re-direct its procedures when dealing with international incidents because most state judicial branches are so overwhelmed with their case loads, the last thing they need is more of a caseload. Therefore, diplomatic process seems the prudent process to resolve international incidents quickly.

There is a motion for exile against all parties in Delant Cory Palmerton's case which will affect all parties within the district your office represents. This case has been going on for around 12 years give or take and the documented American National would like to see his wife. Delant Cory Palmerton is not allowed to see his wife for unknown reasons. Further, the whole case is alleging trafficking by judicial officers within the district your office represents.
