The Government of The United States of America, (hereinafter "Government") organized under the Articles of Confederation in force 1781, as amended August 5th, 2015, shall state the following as accurately as possible without recourse under foreign sovereign immunity, and

Grounds for the International Tort Claim

The grounds for this international complaint include but are not limited to the violation of the intangible property right to honest services of which, if any Articles within the Universal Declaration of Human Rights (UDHR)¹ are violated, dishonest services are revealed to the International Community through those violations, to wit; The current people claiming to operate as elected officers for the City of Center Hill are operating under non-existent representative classification.

History

Incorporated 1905. Thomas W. Spicer, who became postmaster and gave the town its name, established Center Hill in 1883. He liked to think of the hill on which it is located as the center of things. Originally incorporated as the "Town" of Center Hill, it was re-incorporated as the "City" of Center Hill in 1925. Center Hill used to be the "green bean capitol of the world," but the market in South Florida took business away from Central Florida. Also, drainage of the canals caused the land to not be as suitable for farming. There was some citrus around Center Hill until the winter freezes in the 1980s destroyed the groves. Center Hill had a school (elementary to high school), but this facility was closed in the 1970s.

The City of Center Hill went through a second transition in 1986 wherein the charter of the City of Center Hill was abolished and created the City of Center Hill under an arbitrary ordinance. It was done without a vote of the people that live in the City of Center Hill.

¹ United Nations: <http://www.un.org/en/universal-declaration-human-rights/index.html>

It appears that someone attempted to reset the clock back to 1925 and used those votes to transition to a charter amended by an ordinance. The city council passed an ordinance (Ord. No. 86-3, § 2, 7-8-1986) that authorized the city council to elect its own officers:

Sec. 6. Organization; voting methods.

The city council shall elect its own officers; shall make its own rules of conduct and provide methods for the enforcement of the same and fix penalties for the violation of same, and all votes cast shall be by ayes and nays unless a secret ballot or roll call shall be demanded by a majority vote.

(Ord. No. 86-3, § 2, 7-8-1986)

Further on its website, it declares its policy as follows:

“It is the policy of the City of Center Hill, in keeping with the laws of the United States of America and the spirit of the Constitution of the State of Florida, to promote through fair, orderly and lawful procedure the opportunity for each person so desiring to obtain housing of such person's choice in this county, without regard to race, color, ancestry, national origin, religion, sex, marital status, familial status, handicap, or age, and, to that end, to prohibit discrimination in housing by any person.”

Does the city council actually believe it can elect its own officers and still represent the people within the incorporated area?

Article 21(1) of the UDHR reads, “Everyone has the right to take part in the government of his country, directly or through freely chosen representatives.”

“Freely Chosen representatives” is accomplished through popular vote. Clearly, this is a violation of Article 21(1).

The ordinance (Ord. No. 86-3, § 2, 7-8-1986) was passed by the same city council that abolished the existence of the people within the City of Center Hill (on paper). This led to the nickname, “Ghost Town”, that is commonly known in the City of Center Hill. The city council has been doing business of, by and amongst themselves for almost 30 years and the people are without representation of any kind.

Also at issue, is a violation against Article 9 of the UDHR, wherein the people of the City of Center Hill have been under arbitrary arrest, detention and exile since 1986.

Article 9 of the UDHR

No one shall be subjected to arbitrary arrest, detention or exile.

The City of Center Hill uses Sumter County to prosecute all City claims against a non-existent population (on paper) thereby using public tax money for private gain. This has occurred for almost thirty (30) years.

The City of Center Hill does not represent anyone therefore it is a private membership association that advertises itself as having public access. It enforces arbitrary ordinances against the public that it does not represent nor does the public possess membership within the private membership association. Therefore the City of Center Hill qualifies as a slave plantation.

No private membership association has the right to claim lack of jurisdiction nor does it have the right to claim political, civil or religious rights when nefarious acts are being committed against the public. Human rights violations are classified as nefarious acts against the public.

Therefore, any and all obligations, orders, taxes, property taxes, bonds, securities or any other type of obligation coming from the City of Center Hill are notwithstanding.
