COMES NOW, OVERVIEW AND FINDINGS

- 1: The State of Minnesota has been sent evidence that the administrative record for Glenn Joseph DeRusha has verified that Glenn Joseph DeRusha does business as GLENN JOSEPH DERUSHA, PMA at The United States of America, Global Postal Code: NAC: 76HFC QFV4G; and
- 2: The State of Minnesota has been sent evidence that Glenn Joseph DeRusha doing business as GLENN JOSEPH DERUSHA, PMA (hereinafter "GLENN JOSEPH DERUSHA, PMA") has not committed any crimes in any jurisdiction in the private or the public venue of the United States Government or any of its franchises; and

Comes Now the Bailor; This a Motion, No Jurisdiction under PMA, IN ASSOCIATION, under the Federal Rules 17 (b) 3A, (A) a partnership or other unincorporated association with no such capacity under that state's law may sue or be sued in its common name to enforce a substantive right existing under the United States Constitution or laws and In The Case of Glenn Joseph Derusha pma, (known here as Victim), a National under The United States of America.

That the Victim, was in a Bankruptcy and observed IOU/Lender form-age, most likely under a stock market post de facto operator acting as intervenor Trustee, as an operating intervenor, allowed in a corruption with known 3rd party operating intervenor Mers, known to miss-align county recordings changing first in time is first in right, and other fraud like issues.

It has been determined that case laws of forgoing and a general right of enforcement is authorized and shown, whereby what may be a practice of norm not allowed, would be allowed when unlawful or corrupt activity is allowed in court actions, regardless of what court, is of scope.

"The ability to place a lien upon a man's property, such as to temporarily deprive him of its beneficial use, without any judicial determination of probable cause dates back not only to medieval England but also to Roman times." United States Supreme Court, 1968, Sniadach v. Family Finance Corp., 395 U.S. 337, 349.

Maxim(s) and Actions

Guaranteed is all men shall have a remedy by the due course of law. If a remedy does not exist, or if the remedy has been subverted, then one may create a remedy for themselves by the endowment with facts and as an endowment of credibility by expressing it in their affidavit, as a remedy is that part guaranteed, including with doctrine of last man standing.

Therefore, a form of adverse possession was implemented by previous court, whereby no forms for chain of title was constructed, not proper, and failure to introduce same was denied. Now Mers by several Federal Judges has an illegal Business model, a fraud from day one.

This is substantive rights, whereby The State of Minnesota has failed to recognize, the issues, and has failed Jurisdiction findings. Therefore, these said, a lower threshold if any of the accusations where performed needs be held and remains lower than mala in se, whereby courts implemented a structure for Mers frauds, require vacated under the Rule.

Feb 13, 2004, property by electronic mortgage registration (Mers), was reassigned First Tennessee Bank (d/b/a First Horizon Home loans), whereby First Tennessee Bank initiated foreclosure. Failure of chain of title actions under Mers is well known, and Judge Diane M Hanson (Scott County Court File 70-CV-14-2315) actions assisted the none chains to title.

Thus a Motion herein to the Human Rights and a filing into Federal court or anotheer court of venue is suggested with above facts.
