Dear Mr. Neal,

As you know, I recently appeared on your behalf in Cabarrus County Court. Your case was continued, and your new Court date is **October 5, 2017**. Please keep in contact with my office. If you fail to appear at your scheduled Court date, it is likely that an order for your arrest will be issued.

**Your Court date is subject to change, and you should keep in close contact with the Clerk's office to make sure that you do not miss a Court date. You will not receive any notice concerning your Court date, and this letter is merely a courtesy, not an official notice.**

I look forward to continuing to work with you toward resolution of this case. Please do not hesitate to contact me should you have any questions or concerns.

Sincerely,

Darrin M. Gamradt  
Attorney at Law
