Re: Affidavit of Notary Presentment
Your Case #20170119-FRTI-JOHK-2016-1229X2017002

Dear Mr. Moffett:

I am writing on behalf of the Arizona Office of the Attorney General in response to your Affidavit of Notary Presentment dated November 13, 2017 and the attachments thereto received by this office. We have reviewed these documents and do not believe that any action by this office is necessary or appropriate. Furthermore, you are not a party to the underlying legal dispute and therefore this office would be precluded from communicating with you about the matter.

Sincerely,

Janet W. Sell
