

the woman attempted to call to acquire evaluation papers, but private doctor was on vacation for two weeks. The Aggrieved then offered his copy of said evaluation in good faith he would file into the matter upon being let go; the woman, doctor said she would let the Judge know; and further,

the Aggrieved, again brought before Hinkle, the person was called and the woman doctor pulse other parties now back at court room, Hinkle called up the doctor to a microphone and the woman doctor explained the Aggrieved offered a private evaluation and gave me the name of his doctor adding that she attempted to call and he was on vacation for two weeks; and further, the Aggrieved told her the results were competent and he would get us a copy of said evaluation; and further,

Hinkle, looking at the contents of the case file uttered the words: American National, as she viewed the Aggrieved's certified Affirmation of Nationality; and further,

Hinkle then called up all parties at the court room to her desk and talked with them quietly, doctor, attorney, plaintiff, everyone but the Aggrieved was privy to what Hinkle had to say; and further,

the Aggrieved stated: I am free to go; Hinkle replied, No and now evoking her Paternalism without lawful authority, said: " I am ordering you under section 15B to be committed for a Twenty One day(21) day evaluation at Solomon Carter Fuller Mental Hospital Department of Mental Health Commonwealth of Massachusetts; and further,

the Aggrieved was trafficked to Boston, dropped off at said Massachusetts Corporation owned Mental Hospital and locked in; and further,

this is where the Aggrieved spent the duration of Twenty One (21) days until he was trafficked back to Woburn District Court, 4, December 2017 where he was brought again in shackles before a man with a white beard working as Judge; and further,
