On or around 8 pm EDT, a man that claimed to be in association with the Barnstable Police Department known to affiant as Detective Edward Cronin ( hereinafter “respondent”), accompanied by another male officer (hereinafter “respondent 1”) and female officer (hereinafter “respondent 2”), entered the restaurant and approached the affiant’s table.

Respondent 1 and respondent 2 forcefully removed the affiant outside of the restaurant, handcuffed affiant and forced affiant into the transport vehicle under direct threat of violence from respondent 1 and stated, "You can get in the vehicle or I can taser you and put you in the vehicle." To which affiant entered the vehicle under duress, and

Approximately 45 minutes later, the affiant arrived at the Barnstable Police Department in Hyannis, State of Massachusetts-Bay. After being forced out of the transport vehicle, respondent, respondent 1, respondent 2 and a booking officer (hereinafter "respondent 3") forced the affiant to remove all private property and performed several gas lighting manipulation tactics so that affiant would panic and answer the interrogating questions, and

Respondent and respondent 2 both questioned Affiant's mental capacity as well as to the status of Sovereign Citizen and/or belonging to a sovereign citizens movement. Affiant's response was "I do not know what that means", and
