Demand for a Public Trial:

June 28, 2018

I, JOHN FRANCIS PATRICK O’SULLIVAN II, hereby demand a public trial for case number 18 CRB 265,

This demand respectfully submitted to the Human Rights Tribunal International to hear this case and grant the change of venue from a private trial to a Public Trial.

Since your operation is in the under a private court under private law versus a public court under public law which is contrary to the Law of Nations under private law. This is demand for a public trial under public law that is not being simulated. Therefor I am changing the venue under a proper venue for a demand of public trial before the Human Rights Tribunal. Attached hereto of exhibits showing your courts and court officers operating in the private. An exhibit of Rod Class case law that shows how states operate in the private under the states equal clause.
