Dear Mr. Mabardy,

By policy, I am required to meet with you on a monthly basis. I understand you have been in contact with other staff members in this office and have declined to meet with the Department. However, I wanted to reach out to you to see if you were willing to meet the Department for the month of October.

I can be reached at 617-520-8757.

Sincerely,

A handwritten signature in black ink, appearing to read "Marie-Noel Theodore".
