Official committee record

Dear Rothschild family,

This is the Government of The United States of America sending your family this letter which is the first of many letters depending on how your family responds.

The goal of this letter is to remove our persons as collateral for U.S. debt from your families' bank. Meaning we are here to say we are not your slaves nor products that back your paper ponzi scheme.

As your family members can sense that there is a great awakening happening and when most of the inhabitants figure out that they were used as collateral by the United States for its debt, those inhabitants are going to be livid to say the least and the Rothschild family name is going to be mud.

However, we decided to start with a civilized letter hoping that there is at least one sane member of your family that can see that this request is legitimate and fair.

OFFER

This one time offer is very simple, your family makes a phone call to your federal reserve and instruct those employees to open an office window wherein anyone or their representative that wishes to be free from this illegal legal box that was created by your attorney's, there is an opportunity to do so.

We look forward to your response. Silence is not a response and we are quite prepared for anything that your family might say or do to try to deny or silence this request. Remember, you are just a family, and the people that wish to be free of your tyranny are many in number and will not kiss your butts like your employees do every day. Your families' day has come wherein they must collectively do the right thing. You all have 7 days to respond whether in the negative or the

positive. Silence is considered a no to the request and we look forward to charging each and every one of your family with slavery so we can eradicate this world of your families' tyranny. Anything that is agreed upon with this Government does not affect anything that anyone else may or may not do on behalf of their own person.
