THE GREAT JURY FOR THE AMERICAN NATIONAL UNION OF

THE UNITED STATES OF AMERICA True Bill of Indictment

Claimant: JASON WESTLEY HALL, PMA v.

***Respondent: W. Watson & Daniel Glaspy of the City of Dublin Police
Department, Gavin Newsom, Eleni Kounalakis, Alex Padilla & Xavier
Becerra***

The Great Jury was accepted and acknowledged by the American National Union of The United States of America in Social Compact in accordance with the Law of Nations and is with jurisdiction and venue within the metes and bounds and seaward boundaries of The United States of America.

The Great Jury for the American National Union of The United States of America hereby informs the Chief Notary of the Human Rights Tribunal International that the Great Jury convened to hear evidence presented by the Trustee for JASON WESTLEY HALL, PMA; and

It has been determined from the evidence presented that there is probable cause to charge respondents Daniel Glaspy and W. Watson, of the City of Dublin Police Department East County Hall of Justice Traffic Division Department 702 with attempted murder wherein the aforementioned respondents have attempted a political assassination by re-classifying the claimant as a "sovereign citizen domestic terrorist" to which the claimant may be shot on site under international law thereby placing a target on the claimant for political purposes as evidence within the claimant's affidavit; and

Furthermore, the Great Jury notes that the above cited communist tactic of re-classifying persons is a breach of security of persons in violation of Public Law 101 - 20 (1) and (2) and is utilized by the respondents to eliminate the liability the respondents created by arbitrarily denying the claimant's Nationality in violation of Public Law 101 - 15 (1) and (2); and

The claimant presented evidence that all listed respondents have trespassed against claimant's federal common law lien published in the legal notice section of a publication of record <https://reignoftheheavens.com/wp-content/uploads/2019/09/Federal-Common-Law-Lien-s-on-JWH-Person.pdf> without asking permission to use the claimant's person; and

The respondents re-classification of the claimant to a “sovereign citizen domestic terrorist” is a clear violation of due process of law as all are entitled to defend themselves against unfounded accusations or attacks upon their honor within a public impartial National tribunal and are hereby charged with the political crimes of communism and totalitarianism in violation of Public Laws- 101; and

All listed respondents are further hereby charged with a capital conversion of the established international record of the claimant to which was published within a publication of record and is further hereby charged with trafficking in persons in violation of Public Laws- 101, formerly classified as the Universal Declaration of Human Rights, wherein the respondents arbitrarily classified the claimant as a U.S. citizen offshore within one of the various internal revenue trusts thereby violating the Protocol to Prevent, Suppress, and Punish Trafficking in Persons, Especially Woman and Children, Supplementing the United Nations Against Transnational Organized Crime to which the United States has been a signatory thereof since November 3rd, 2005; and

The Great Jury finds that the respondents have trespassed upon the written and published Bi-Lateral Social Compact Agreement of the people for The United States of America <https://departmentoftransportation.theunitedstatesofamerica.country/bilateral-social-compact/> and are hereby charged with the crimes of international and domestic terrorism in violation of Public Laws- 101 and the Law of Nations; and
