We did not claim the Spiritual Kingdom of Heaven!

The reign of the heavens is a country on earth created by Jesus within Naphtali and Zebulun. We are not crazy to claim Heaven itself and on the Most High's domain and we recognize that the earth is his footstool. We also know that the term Kingdom of Heaven is in the King James version which makes it appear as if we are claiming heaven but we are not. People have a hard time understanding that Jesus left us something, the ability to have a status outside of any Monarchy on earth which is why the Monarch's hid the country from everyone for over 2000 years. The Monarch's could not make us stateless and we no longer had to live under Caesar as subject or citizens of the reign of the heavens. Once a citizen of the reign of the heavens, you already have a lord and savior no earthly King can lawfully claim you. We a

**There is an issue with the State of Utah Judicial Branch wherein it has been taken over by a private membership association, meaning a club of men and women that simply took over the judicial branch of the State of Utah: <https://www.utahbar.org/about/utah-bar-history-and-purpose/>**

**“In 1985, the Utah State Constitution was amended to clarify that regulation of the legal profession should be performed under the Judicial Branch of government through the Utah Supreme Court, and the Bar was “perpetuated, created and continued” to perform regulatory and public interest services under the direction and control of the Supreme Court.”**

**Apparently the Supreme Court of the State of Utah (hereinafter: “Supreme Court”) granted itself broad powers of election, power of attorney of the people, and interpretation rights that allowed the Supreme Court to arbitrarily change the Constitution of the State of Utah by its own motion, election and power of attorney. The arbitrary actions by the Supreme Court was and still is a capital crime against the State of Utah.**

### **Chapter III Law of Nations**

**Of the Constitution of a State, and the Duties and Rights of the Nation in this respect.**

**§30. Of the support of the constitution and obedience to the laws.**

**“The constitution and laws of a state are the basis of the public tranquility, the firmest support of political authority, and a security for the liberty of the citizens. But this constitution is a vain <10> phantom, and the best laws are useless, if they be not religiously observed: the nation ought then to watch very attentively, in order to render them equally respected by those who govern, and by the people destined to obey. To attack the constitution of the state, and to violate its laws, is a capital crime against society; and if those guilty of it are invested with authority, they add to this crime a perfidious abuse of the power with which they are entrusted. The nation ought constantly to repress them with its utmost vigor and vigilance, as the importance of the case requires. It is very uncommon to see the laws and constitution of a state openly and boldly opposed: it is against silent and gradual attacks that a nation ought to be particularly on its guard.”**

**The Capital Crime committed by the Supreme Court has been brought to the attention of the following people:**

- 1: Shawn Farris**
- 2: Marvin Bagley**
- 3: William Leigh**
- 4: Brody Kissell**

**Just to name a few. The Capital Crime remains hidden from the Public View.**

talking about your flesh and blood body, spirit and soul. The Government of The United States of America deals with persons, 11 For there is no respect of persons with God. There are no persons within the reign of the heavens. This is our interpretation of the reign of the heavens: because when it was established, the process of establishment followed the same process: establishing a country as written in the Law of Nations. If anyone sees fault with this interpretation with a quote from the new covenant, please come forward so we may correct or fix any problems. It is not our intent to change the word of God. To become a citizen of the reign of the heavens go here: <https://reignoftheheavenssocietytemp.com/> is about the followers of the way, the truth and the Life, not any religion on earth.

The reign of the heavens is a country
