### THE GREAT JURY FOR THE AMERICAN NATIONAL UNION OF THE UNITED STATES OF AMERICA True Bill of Indictment

***Claimant: LANNY KAY TALBOT, PMA v.***

***Respondents: Gary Herbert, Sean Reyes, Brody Keisel, Holly Ramsey, David Nuffer, Heather J. Chesnut, Paul Kohler and Marie Talbot***

The Great Jury was accepted and acknowledged by the American National Union of The United States of America in Social Compact in accordance with the Law of Nations and is with jurisdiction and venue within the metes and bounds and seaward boundaries of The United States of America.

The Great Jury for the American National Union of The United States of America hereby informs the Chief Judge of the Human Rights Tribunal International that the Great Jury convened to hear evidence presented by the Trustee for LANNY KAY TALBOT, PMA as well as Co-Trustee for the LANNY KAY TALBOT TRUST, and

It has been determined from the evidence presented that there is probable cause to charge the respondents for the following crimes including but not limited to extortion, international grand theft, forced association, trafficking in persons and being vacant a written and published Bi-Lateral Social Compact Agreement is hereby charged with slavery in violation of Public Laws-101 as presented herein; and

Respondents are hereby charged with extortion for demanding an additional payment of a debt that had already been paid in full with legal tender (+4,500 Continental Dollars) and was discharged as indicated in items #2 and #3, wherein respondent Judge Brody Keisel ordered claimant to pay a debt with a specific currency, federal reserve notes; and

The aforementioned respondent further extorted claimant by arbitrarily ordering claimant to assign claimant's life insurance policy over to respondent Marie Talbot as payment thereby creating a prejudice against the claimant's Nationality in violation of Public Law-101-15-1 and 2 as evidenced within this document; and

*“2.) On September 10, 2018, IN THE SIXTH DISTRICT COURT FOR KANE COUNTY, STATE OF UTAH, Kane County Courthouse, 76 North Main Street, Kanab, Utah. trustee attended an ORDER TO SHOW CAUSE hearing Case No. 08460002, with Judge Brody Keisel presiding. The hearing was about Property Settlement of a Decree of Divorce entered on August 18, 2008, and*

*When the trustee reminded the Court about the +4,500 CONTINENTAL DOLLARS that the trustee paid to the Court to give to the Respondent, the Judge Brody Keisel told trustee that he would call the Continental Dollars “Other Money” then Ordered trustee to pay Respondent in U.S. currency; thus making the species of money an issue and stated that he could not confirm or deny that the U.S. Treasury was investigating the said Continental Dollars that trustee paid to the court in an effort to intimidate and threaten the trustee, and*

*The trustee told the Judge Brody Keisel that the said investigation was welcomed. The Judge Brody Keisel then postponed the hearing until October 4, 2018.”*

There is sufficient evidence presented within Sec 2, to charge Respondents within the order to show cause hearing, Case# 08460002 with violations of Public Law-101-13. The Respondents actively conspired to violate claimant’s security of person and did arbitrarily deprive the claimant of the claimant’s Nationality to falsify the internationally established record and is hereby charged with the political crime of totalitarianism. Further, everyone has a Right to Freedom of Movement and residence within the borders of each State and everyone has the right to leave any country including his/her own, and to return to his/her country, therefore

Respondents are hereby charged with international grand theft as evidenced in item #3 wherein the +4,500 Continental Dollars legal tender was rejected by the respondents then confiscated without acknowledgement that the debt had been discharged as was respondent Judge Brody Keisel’s fiduciary duty in accordance with United States Public Policy, and

*“3.) On October 04, 2018, 2 pm, IN THE SIXTH DISTRICT COURT FOR KANE COUNTY, STATE OF UTAH, Kane County Courthouse, 76 North Main Street, Kanab, Utah. The trustee asked the Judge Brody Keisel what became of the investigation on the Continental Dollars trustee paid the Court; Judge Brody Keisel would not talk about the said investigation, and*

*The trustee addressed the Court at least six times and the Respondent, if the Court and/or Respondent accepted or rejected the payment of +4,500 CONTINENTAL DOLLARS, Legal Tender which the trustee gave the Court, and*

*Both the Court and Respondent rejected the payment of Continental Dollars but did not return the Continental Dollars. Judge Brody Keisel proceeded to order trustee to pay Respondent in U.S. currency/Federal Reserve Notes, thus demanding a particular currency on behalf of the Respondent that created a prejudice against the Continental Dollar, and*

*The Continental Dollars were not returned to trustee wherein a lie was created by the Judge Brody Keisel when a separate demand was made in another currency thereby a double payment was demanded, and*

*Judge Brody Keisel, further ordered trustee, to assign trustee's Life Insurance over to Respondent, thereby making Respondent the owner of trustee's Life Insurance Policy, even*

*though trustee had paid Respondent the +4,500 Continental Dollars, valued at \$72,000 Federal Reserve Notes.”*

Therefore, there is sufficient evidence found in Sec. #3 and #4 that the respondents actively conspired to construct a fraud through unresponsiveness, fictitious use of language, and violations of due process, whereby monetary theft and ultimately the removal of the trustee's property was the desired result. Further, there is clear and convincing evidence as indicated in item #6 evidenced below to charge respondents with the crime of forced association in violation of Public Law-101-20-1 and 2 as the respondents attempted to compel performance of the claimant by demanding a specific currency in violation of Public Law-101-1, 2, 3, 6, 7, 10, 11-1 and 2, 16-1, and 17-1 and 2; and

*“5.) Son and trustee and Son's intent was to transfer said house and property into a Trust, with Son's children as beneficiaries, so on September 4, 2018, a local Title Company was used to prepare the deed into the Trust, they made a deed to the trustee's old Trust and recorded it, and*

*When trustee and Son realized the mistake, on September 5, 2018, the Son and trustee had the Title Company prepare the right deed, placing the house and property into The Gentius Irrevocable Inter-vivos Trust, dated January 10, 2016, with Son and trustee as Trustees and Son's children as beneficiaries. The three said deeds were recorded with the Government of The United States of America's Recorder and with Garfield County, State of Utah, and*

*6.) The trustee filed a Notice of Appeal for the prejudice against the Continental Dollars on October 16, 2018 and the case proceeded through the Utah Court of Appeals. The Court of Appeals affirmed the District Court's contempt order and never acknowledged the compliance to the demand for payment and the violation of the lowers courts violation of Public Policy as it pertains to U.S. currency. NO U.S. citizen has any legal right to demand any particular kind of currency as payment, and*

*The trustee filed a Petition for Writ of Certiorari with the Utah Supreme Court. The Writ was denied on May 30, 2019 with the same imperfections.”*

Therefore, there is sufficient evidence found in Sec. #5 and #6 that is in violation of Public Law-101-15-1 and 2 wherein the respondents have denied the Claimants currency thereby arbitrarily denying the Claimant's Nationality, which is also a violation of the Law of Nations stated in chapter 3; and

*“8.) The trustee, Son and The Gentius Trust property was not part of the case, but became part of the case after Judge Brody Keisel signed a new Writ of Execution ( see def. in Sec 9.) even though Judge Brody Keisel said at an earlier hearing that the property transferred to the aforesaid trust was not a part of any judgement or court order and told the Respondents that the issue would have to be a part of a completely different law suit. Both Respondent and Judge Brody Keisel, working together had a precedent of changing the facts and rules as the case progressed, as if Judge Brody Keisel had something to gain by continuing to change the subject matter of the case every time the payment of Continental Dollars came up.”*

Therefore, there is sufficient evidence found in Sec 8. that the respondents conspired to proceed with additional court actions and penalties that unnecessarily placed the claimant in jeopardy because, notably, Judge Brody Keisel would not make any ruling as to the fact of the

claimants payment in full by Continental Dollars, thereby forcing the claimant into every subsequent unjustified default, and thus subjecting claimant to additional property and monetary losses in violation of Public Law-101-2, 3, 5, 6, 7, 28, and 30; and

*“9.) On July 8th & 9th, 2019, Affiant and Son were served with Writ of Execution from THE SIXTH DISTRICT COURT FOR KANE COUNTY, STATE OF UTAH, Kane County Courthouse, 76 North Main Street, Kanab, Utah, ordering Garfield County Sheriff to take Affiant’s Son’s house and sell it to pay Respondent. Affiant’s Son was not a part of any case anywhere, and”*

#### **Writ of Execution**

n. a court order to a sheriff to enforce a judgment by levying on real or personal property of a judgment debtor to obtain funds to satisfy (pay the winning plaintiff) the judgment amount.

This is an ongoing case, no winner has been determined, therefore the Writ of Execution is in violation of Public Law-101-1, 2, 3, 4, 5, 7, 8, 9, 11-1 and 2, 27-1 and 2, 28, 29-1 and 2, and 30; and

Further there is sufficient evidence presented within items #13 and #16 as evidenced below to charge the respondents with violation of Public Laws-101. The respondents actively conspired to re-classify the claimant’s person violating the claimant’s security of person and did arbitrarily deprive the claimant of claimant’s Nationality in an attempt to falsify the internationally established record and is hereby charged with trafficking in persons in violation of Public Laws-101.

*“13.) Judge Brody Keisel still practices from the Bench and has continued to issue orders across clearly defined international borders of another Government’s Jurisdiction and The United States of America’s metes and bounds and seaward boundaries, which are all outside of Judge Brody Keisel’s legal jurisdiction after the initial claim was discharged in full.”*

The dismissal notice written by Respondent HEATHER J. CHESNUT, Assistant Utah Attorney General and accepted and acknowledged by Respondent Federal District Judge David Nuffer, shows clear and convincing evidence that Respondents arbitrarily re-classified the claimant as a “sovereign citizen” in attempt to hide their disregard of their own U.S. Public Policy wherein the case had been discharged in full when the claimant tendered payment in full (+4,500 Continental Dollars valued at \$72,000 Federal Reserve Notes) and was denied back on September 3<sup>rd</sup>, 2018; and

#### **“HEATHER J. CHESNUT STATED IN THE DISSMISSAL:**

*Talbot cannot avoid jurisdiction by arguing that he “moved his person into the new restored ‘The United States of America.’ Nor can he avoid jurisdiction by saying that “[t]he Plaintiff and his Person were moved into PMA/Trust Instrument under the care, custody, and control of 1st in time and 1st in right ‘The United States of America,’” or that he “is Operating within an Instrument made as a device for security of and for Plaintiff Person ....” These arguments, often made by so-called “sovereign citizens,” are meritless.”*

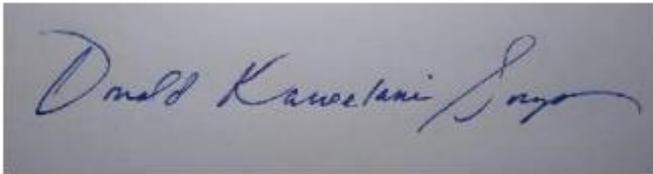

*“[A]n individual’s belief that [his] status as a sovereign citizen puts him beyond the jurisdiction of the courts has no conceivable validity in American law” “Jurisdiction is a matter of law, statute, and constitution, not a child’s game wherein one’s power is magnified or diminished*

*by the display of some magic talisman or by the use of special seals ... or by the recitals of Special Words, Phrases or Arcane Incantations, Regardless of an individual's claimed status ... be it as a sovereign citizen, a secured-party creditor, or a flesh-and-blood human being, that person is not beyond the jurisdiction of the courts." In fact, such arguments "are patently frivolous" and "should be rejected summarily, however they are presented."*

*"Most importantly, "a plaintiff's filing suit constitutes consent to a district court's exercise of jurisdiction over him or her." Talbot filed a divorce petition against his wife Marie Talbot in the Sixth Judicial District of the State of Utah, thus beginning the state court proceeding that is now at the core of his claim. He cannot now make a colorable argument that the Sixth District lacked jurisdiction. Therefore, Talbot's argument that the Sixth District lacked jurisdiction fails, and no exception applies to bar the application of judicial immunity to Judge Brody Keisel."*

*16.) Order to Dismiss, which was created by HEATHER J. CHESNUT, Assistant Utah Attorney General and signed by Federal District Judge David Nuffer, claims trustee is a "sovereign citizen".*

Therefore the respondents are hereby charged with attempted murder of the claimant wherein the respondents have attempted a political assassination by re-classifying the claimant as a "sovereign citizen domestic terrorist" to which the claimant may be shot on site under international law thereby placing a target on the claimant for political purposes as evidence above; and
