**WHEREAS**, the office of the Treasury for the Government of The United States of America has declared each international violation of The Universal Declaration of Human Rights to have a value in damages of +750,000 Continental Dollars for each count.

WHEREAS, Respondents violated Article 1 of the Universal Declaration of Human Rights; “All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood. “

The Respondents control the Crown. The Crown is established within the city of London. The Respondents through their agents engage in a theft of equity scheme to steal the whole world’s assets by *pledging* through fictional indebtedness. The Temple Bar is the juristic arm of the Crown and holds the monopoly on global legal fraud through their Bar Association franchises and continually deny access to the law which denies a remedy.

The theft of the equity assets has forced the people of all statuses into indentured servitude, homelessness and the breaking up of the family unit by operating outside the respondents own law thereby taking advantage of the contract clause using Private Membership Associations known as the Bar Associations in their many forms. The scheme is designed to conceal the origin of the equity stolen by Respondents. The Respondents are violating Natural Law and the Law of Nations as third-party interlopers regulating and severing the intangible property rights of the claimants and all other persons, and

WHEREAS, Respondents violated Article 2 of the Universal Declaration of Human Rights; “Everyone is entitled to all the rights and freedoms set forth in this Declaration, without distinction of any kind, such as race, color, sex, language, religion, political or other opinion, national or social origin, property, birth or other status. Furthermore, no distinction shall be made on the basis of the political, jurisdictional or international status of the country or territory to which a person belongs, whether it be independent, trust, non-self-governing or under any other limitation of sovereignty.”

Respondents control the issuing of the currency. The Currency is then taxed to impose socialism to bring in communism. Before the equity is stolen; trafficking in persons creates the *inhabitant* to conceal the theft of equity. Trafficking in persons clouds chain of title causing confusion of political status claims. This allows the occupied population to be taxed and held as surety /debtors in the theft of equity scheme through forced monopoly. Respondents are attacking chain of title by hiding history and lying about symbology thereby creating a class of diluted idol worshippers. The Respondents attack countries, remove National Governments, and disrupt society by means of hiding necessary social compact agreements. Attacking the society is an attack on the population causing statelessness which discredits the census and the identity of the people.

WHEREAS, Respondents Violated the Claimant rights under Article 4 of the Universal Declaration of Human Rights; “No one shall be held in slavery or servitude; Slavery and the slave trade shall be prohibited in all their forms. “

The Respondents employ usury and usury is debt slavery. The Respondents enslave the people through private debt base currencies worldwide (Federal Reserve Note et.al.). The Respondents hold a monopoly against all other opposition. This monopoly allows for misappropriating private equity and hiding it as public gifts and donations. The debt base currency creates economic slavery which produces a proletariat (slave) class. The debt base currency with interest rates attached produces a foreclosure scheme to steal real property by partial disclosure contracts. The socialist system creates unpayable obligations and then forced confiscation by parties that did not produce any value or equity. The Respondents use the appearance of ownership by using a deceptive contract scheme which creates a slave proletariat wherein the real true owner always suffers the risk of losing the real property causing a wanting and suffering with difficulties of gaining basic necessities.
