AFFIDAVIT

Comes now, William Emory Reffett, Trustee, (hereinafter "Affiant") being competent to testify and being over the age of twenty-one years, after first being duly sworn according to the law to tell the truth to the facts related herein states that affiant has first- hand knowledge and belief that these facts are true to the best of affiant's knowledge and belief, and;

Respondent parties- Deeshona Gaines, (hereinafter " Respondent(A)"), employed at Alexandria Police Department,(hereinafter "APD"),at 1000 Bolton Ave, Alexandria, LA 71301, - "Corporal" Winn,(hereinafter "Respondent(B)"), employed with Rapides Parish Sheriff's Office, (hereinafter: "RPSO"),- "Deputy "Salaard, (hereinafter: "Respondent(C)"), employed with RPSO, both Respondent(B) and Respondent(C) employed under the supervision of one, Matt Dauzat, Warden for RPSO Detention Center 1, at 701 Murray St. # 302, Alexandria, LA 71301, and

- 1. On the 219th day in the year of YHWH, 6022 , translated- October 23rd, 2020, at approximately 09:30 UTC -06:00, translated- 3:30 pm central time, Affiant left a property located near Peach St and traveled along Maryland Ave. on Affiant's bicycle, and**
- 2. Affiant viewed two APD cruisers parked side by side on the avenue, leaving the outside APD cruiser parked in the middle of the avenue. Observing no sign of caution, flashing lights, oncoming traffic, or other, Affiant proceeded around the APD cruisers. As Affiant returned to the right side of the road, passing by a third APD cruiser, Affiant was called back to speak**

to Respondent(A), along with two unnamed city employees, all of which were armed with side arms.

3. While the two unnamed city employees took Affiants bicycle and backpack, Respondent(A) called Affiant back to ask a few questions and Affiant asked if Respondent(A) would be conducting an investigation. Respondent (A) answered "yes" and asked for Affiants name, address and the last 4 digits of a Social Security number. Affiant answered with Affiants all capital letter business entity name, Affiants address of NAC: 78T8T N6J3R, and notified Respondent(A) that Affiant has no Social Security number. Respondent(A) and an unnamed city employee both demanded a Social Security number, and
4. After several attempts for a Social Security number Respondent bound Affiant's hands with metal cuffs, and led him to the driver side rear door of the APD cruiser parked next to the avenue curb. Affiant was "arrested" for not providing a Social Security number and violating bike laws, and Affiants bicycle was left, propped against the stop sign, on the corner of Maryland Ave and Laurel St., and
5. Respondent (A) transported Affiant, first to APD, where Respondent (A) exited the vehicle and briefly spoke to an unidentified person, leaving Affiant restrained in the back seat, then returned to the vehicle and transported Affiant to RPSO Detention Center 1, where Affiant was then handed over to parish employees who checked Affiants temperature and forced a face covering over Affiants mouth, and
6. Once inside, Affiant was led to a small room by Respondent (B) and Respondent (C), both demanding Affiant to take off Affiants clothes, and Affiant did not consent. While Affiants face was against the wall, Respondent (B) and Respondent (C) grabbed Affiant, slammed Affiant on a table, punched Affiant twice, twisted Affiants fingers, then began taking Affiants clothes off, until Affiants shorts were partially off. Under duress, Affiant

stripped the remaining clothes, shoes, shorts and underwear that were partially off, and an urn necklace Affiant always wore containing Affiants mothers ashes, squatted and coughed then put on an orange jumpsuit. Affiant was then led to an area where Affiant grabbed a mat and toiletries, then led to a dorm style room with bars, #509, where Affiant claimed a bunk inside a two-man cell, and

7. At approximately 02:00 UTC- 06:00, translated- 8 pm central time, Affiant was called by unnamed parish employees to bring all possessions and was returned to a small room to redress in Affiants personal clothes, led to a room to be "processed" (fingerprinted),which Affiant did not consent to, then led to the front of the detention center to sign papers. Again, under duress, Affiant signed a paper to appear for a meeting with members of the BAR on the 239th day in the year of YHWH,6022, translated- November 12th, 2020, and two computerized signatures, to be released on Affiants own recognizance. Affiant has not received any notice, written, or any other form of, as to the reason for computerized signatures, and

8. Affiant was then instructed to exit by way of a remote control locked door and wait outside the suite for Affiants property. After several minutes Affiants backpack and the contents inside were returned to Affiant. Items missing included a baseball cap, a food card in the name of Susan Perry, which was reported stolen after returning to Affiants residence, and most notably the urn necklace containing Affiants mothers ashes, and

- Article 34- The people for The United States of America agree that Communism is hereby outlawed.**

Based on Respondent (A)'s own code of conduct, the following is referenced:

- Louisiana Code of Criminal Procedure Art. 215.1A states- A law enforcement officer may stop a person in a public place whom he reasonably suspects is committing, has committed, or is about to commit an offense and may demand of him his name, address, and an explanation of his actions (neither an identification card nor Social Security number are mentioned).

GENERAL TESTIMONY

It is very clear that the Respondents are Gang Stalking and Harassing Affiant for political reasons. The State of Louisiana is a Napoleonic Code state wherein is a communist, socialist, Nazi political structure.

The following is required of all Respondents:

4 U.S. Code § 101.Oath by members of legislatures and officers

- [U.S. Code](#)
- [Notes](#)

Every member of a [State](#) legislature, and every executive and judicial officer of a [State](#), shall, before he proceeds to execute the duties of his office, take an oath in the following form, to wit: “I, A B, do solemnly swear that I will support the Constitution of the United [States](#).”
(July 30, 1947, ch. 389, [61 Stat. 643](#).)

A VIOLATION OF: An Act to regulate the Time and Manner of administering certain Oaths. Constitution of the U.S. article 6, page 19 IN Sec. 1., Sec. 2., Sec. 3., Sec. 4., Sec. 5. Approved, June 1, 1789

AND

1 Stat 23 (Statues at Large)

Every member of a State legislature, and every executive and judicial officer of a State, shall, before he proceeds to execute the duties of his office, take an oath

in the following form, to wit: “I, A B, do solemnly swear that I will support the Constitution of the United States.”

Stat. 643 § 102. Such oath may be administered by any person who, by the law of the State, is authorized to administer the oath of office; and the person so administering such oath shall cause a record or certificate thereof to be made in the same manner, as by the law of the State, he is directed to record or certify the oath of office.

The reaction to the oath requirement will be the same as a sovereign citizen domestic terrorist response that the Respondents are not subject to Federal law and therefore immune as State employees, wherein these types of responses are typical of sovereign citizens. It is common for Sovereign citizens to impersonate Public Officers and claim authority they do not possess. Apparently the sovereign citizen theology, as dangerous as they are has leaked into the police forces of the State of Louisiana and committing domestic terrorist acts against civilians.
