Summary

After the Judgment and Order, evidenced in EEGBL pages 1 through 11, was affirmed and acknowledged by the Human Rights Tribunal on the 276th Day in the year of Yahweh 6021, translated(the 20th Day of December, 2019) stemming from a kidnapping of Claimant by an acting judicial officer without a warrant against Claimant which can be evidenced at: <https://trohshow.com/2020/07/07/the-150th-broadcast-of-the-t-roh-show/> , also evidenced on page 76 of EEGBL, Claimant was still held at the *Eastland County Jail* in violation of the Judgment and Order until approximately the 81st Day in the year of Yahweh 6022, translated(June 8th, 2021) when Claimant was transported to (1108 Campbell Ave). As seen in mail by Claimant evidenced in EEGBL page 59, *Atascosa County Jail* in Jourdanton, Texas, a political subdivision of the state of Texas holding Claimant for allegations of interfering with a child's custody, **Man Stealing** for the kidnapping and incarceration of Claimant, **Forced Detention** for the arbitrary sub-standard housing of Claimant and **Slavery** for the continued degrading treatment of Claimant while forcing association with BAR associates has been committed for the continued treatment by private companies housing and arbitrarily taking over power of attorney for Claimant denying Claimants Article 6 right within the Bilateral Social Compact Agreement wherein it states, the people agree that the right of trial by jury of their peers in the same jurisdiction and venue shall forever remain inviolate regardless of separate spheres; and

Numerous Human Right Violations have been mailed by Claimant as evidenced within EEGBL pages 22 through 33 which describe acts of **Torture** that includes, but is not limited to, prolonged exposure without proper clothing, inadequate drinking supply and unsanitary conditions from maintenance mismanagement within the private company known as the Atascosa County Jail, and

Claimant has been in social compact agreement by and between the people for the States of the Union within The United States of America since (8-20-2018), evidenced in EEGBL pages 13 through 19 and has been issued an American National passport evidenced in EEGBL page 12, which confirms **Trafficking in Person(s)** committed upon Claimant by Respondent(s), and **Denial of Nationality** for Respondent(s) refusal to acknowledge Claimants repeated attempts to prove Claimants allegiance to a separate political sphere, and

As evidenced in EEGBL pages 34 through 58 the BAR associates of the State Bar of Texas have committed the act of **Forced Association** upon Claimant By repeatedly having Claimant delivered to private meetings between BAR associates including Respondent(s) *Russell Wilson, Alton Lynn Ellison, Adrian Antonio Perez, and Bradlee H. Thornton* wherein Claimant has been arbitrarily subjected to the same policies and practices enforced by these BAR associates upon U.S. inhabitants and **Gang Stalking** has been committed by Respondent(s) for participating in the organized act of Forced Association upon Claimant between Respondent(s), and

As of the 8th Day in the year of Yahweh 6023, translated (March 27th, 2021) attempts to determine whether Claimant is competent to proceed with private meetings between BAR associates has progressed after a motion by Respondent(s) *Adrian Antonio Perez* was issued, evidenced in EEGBL pages 65 and 66 wherein Respondent(s) claims preparations shall

resume once a doctor finds Claimant competent. Respondent(s) has misinterpreted communication between Claimant that the Fifty Million Dollar Lien on Claimant was an attempted lien against Respondent(s). This is a proper indication that Claimant needs an interpreter for any and/or all private meetings with Respondent(s) as the BAR associates are having difficulty understanding Claimants rebuttals to defend Claimants claims, and

For actions perpetrated by local level Respondent(s) acting as a political subdivision of the state of Texas, *Greg Abbott* presumed Governor, *Ken Paxton* presumed Attorney General and *Ruth Ruggiero Hughs* presumed Secretary of State, by representing the state of Texas, a political subdivision of the United States of America protected by the U.S. military classified as foreign occupation, have committed the acts of **Theft of Time and Energy** for the continued use of Claimants person to collect revenue through signed executive orders for security bonds to be invested on/in the stock exchange, **Trafficking in Persons** and exercising **Communism** upon Claimant, violating all 30 Articles of the Universal Declaration of Human Rights, now classified as Public Law 101 as all Respondent(s) continue to operate in violation of Article 6 of the Bilateral Social Compact Agreement signed by Claimant, evidenced on page 14 of EEGBL, by and between the people for the States of the Union of The United States of America, and

May this True Bill of Indictment serve as an instrument for Claimant to return to Claimant's proper and rightful way of living among fellow Union members and signatories of the social compact by and between said members.
